There are opportunities to join the committee in the autumn as both Treasurer and Secretary are stepping down this year. A big thank you goes out to Helen who moves on to High school life, and to Laura who has managed the PTA finances during a challenging period for fundraising for school.

Information about what each position involves can be found on the website. If you're interested, please get in touch chair@talbotpta.co.uk.

Review
2020-21
for the PTA

Lockdown might have prevented usual events from taking place, but it also generated lots of new ideas to be tried this year. The Autumn term was busy on between lockdowns.

Here's a recap of what the team organised this year

Winter Wonderland	Oranges and Cinnamon	Hollies and Berries
<p>All foliage, wreath and fir cones will be lightly sprayed with white to look like a dusting of snow and decorations will include hollyleaves, silver and white ribbon and white artificial flowers to give your wreath a beautiful frosty winter effect.</p>	<p>A mix of dried orange, apple and pear slices and cinnamon sticks will be included, as well as a range of fir cones, nut shells, hessian ribbon and other decorations for a very natural Christmas look of old.</p>	<p>This design will include red and gold ribbon and a range of real and artificial berries as well as bright green foliage and holly to give a very festive appearance to your front door.</p>

Thank You!

Thanks to all the support from parents we have managed to raise enough to cover the 3 annual commitments as well as fund a cash gift for all classes at Christmas – fantastic result!
