

# BOURNE END'S CHRISTMAS ELF trail

## Instructions

There are 107 elves to find on this trail, dispersed all across our village!

They are split into different colour zones so you can stay local to home or go further afield. You can do as many as you like!

### **Just For Fun:-**

See if you can unscramble the elves! Each colour zone has elves each assigned with a letter that spells out a word associated with Christmas. Every zone is different!

### **Elf Hunt Competition:-**

Golden Elf Anagram: Each colour zone has ONE Golden Elf that has been assigned a letter. If you find all 14 Golden Elves (one from each zone), it will spell out some words which can be used to enter the 'Elf Hunt Competition'!

For example: in Yellow Zone (Chalklands & Blind Lane), there are 10 yellow elves to find, plus 1 Golden Elf! Once you have solved the Golden Elf anagram, please email your answer to [claytonspta@yahoo.co.uk](mailto:claytonspta@yahoo.co.uk) (winners to be announced in the New Year).

**Note:** all elves should be visible from the pavement/pathways.
