Note from the Chair

What a fantastic term we have just had. We have had many events ranging from Get Growing Day to Discos to Wreath Making and so on. I hope everyone has enjoyed these events and if anyone has any new ideas please do let us know. Our aim this year is to raise **£7,500** and it is fair to say we have had a brilliant start. We have currently raised **£3,814**. A massive thank you to everyone who has helped behind the scenes and at events. Thank you also to all parents for letting your children attend these events and for spending money in order to raise these funds. As you know the majority of the money is going towards the refurbishment of the upstairs area. It is also going towards the PE Department. We have already replaced their storage shed with a new one and hopefully we will be replacing the kit for the football and netball teams plus other essential equipment.

I am also letting you know that this is my last year as Chair and also the Treasurers. If anyone would like to work alongside myself or Mike to see what this involves please do let us know. September will be the time we

stand down and it would be great to know there is someone to take these roles on. I have thoroughly enjoyed my time and would recommend it to anyone. I will still be around to help at events but do feel it is important for new faces to take over!

Last of all, I wish everyone a very Merry Christmas and a Happy New Year. **Xenia**
