

Crawley Ridge Junior School Partnership Newsletter

Note from the Chair

This term we have had 3 really good events and the amount raised is £1,015.75. This is a fantastic amount and edges us closer to our final total which currently sits at £5,228.75!

We have also had fun working with Crawley Ridge Infants PTA on 2 events this term. When we do this, all profits are shared 50/50.

At the Fun Run trophies were awarded to the first girl and boy home in each race. BIG congratulations to Isabelle James and Adrian Rodriguez for winning the 1.5km race and to Charlotte Devlin and Rafferty Herd for winning the 3km.

Remember to join the facebook page **Crawley Ridge Junior School PTA** to keep up to date with all reminders.

Have a fabulous half term everyone.

Special thanks to

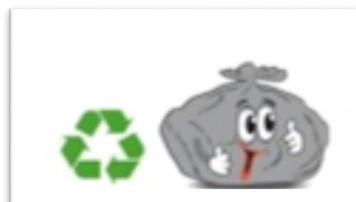

Ailsa West for the use of her garage for Phil the Bag. A huge thanks to **Sam Macleod** for running the Movie Night and to all the helpers involved. Another BIG thanks to **Sharon**

Davies for organising the participants list for both the Juniors and the Infants Fun Run, thanks to **Esther Bowler** for sorting the banner, medals and numbers, thanks to **Mrs White** for setting out the course and to the **Infant School PTA** for the brilliant BBQ they laid on.

Next PTA meeting

**Monday 4th July 8pm,
Graitney 2**

Profits this Half Term

Phil the Bag - £69.83

Phil the Bag gave everyone a good excuse for a clear out and we managed

to raise a decent amount for all our unwanted clothes.

Movie night - £477.00

Movie Night was a very big success with nearly half the school attending.

Fun Run - £468.92

The Fun Run was a fantastic event. The weather was on our side and a great turnout from both schools. The addition of the barbeque after the

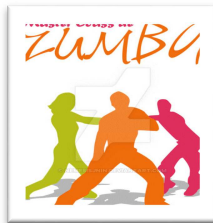

running meant that everyone stayed on after and relaxed in our lovely school grounds.

Exciting News!!!

We are very excited to let you know - at the last PTA Meeting it was agreed on how we will spend the current funds being raised. We have agreed on a 4.5m Double-Sided Zig-Zag Traverse Climbing Wall – similar to the one in the picture. This is going to go on the astro-turf area and it should be up in time for the Summer Fair!! This is a very safe climbing wall, the children can go no higher than the height of a picnic bench seat. The astro-turf will also be a soft landing in case of any slips or falls.
