The school Christmas lunch committee will be renting an additional hot serving table as usual (to be covered by the Christmas budget).

5. PRESIDENT'S REPORT

Helen advised that school have had a consultant review the main hall sound system and it will cost circa £2000 to replace the system before the Christmas play performances and school would like to ask FOBS to fund half of the expected cost. Have school obtained only one quote as quote seems quite low? New system needs to be child and adult friendly. Jackie & Rachel suggested asking around other local schools to find out what systems they are using and the cost. Jackie has a contact who set up the Ranelagh sound system and she offered to ask him what his opinion is on the expected cost to replace a school sound system and if he is able to advise on the best solution. Jo will get a copy of the current quote from Louise and share with the committee.

Dragons Den currently being reviewed in school. £20 budget per class. Helen to check if there is a trophy. Ali suggested she could make an applique dragon presentation plaque if needed.

Teacher bazaar volunteer list has been completed and sent back to FOBS, all teachers are aware of their agreed slots.
