Apologies

Deonne Golden

Becki Farrow

1. Welcome from Paula.
2. Updated constitution – not completed yet. Plan to send it out to the committee in a weeks' time and give 21 days to review. Will schedule an EGM in January to approve.

Outdoor Quad – We have now been signed up with grants for schools. Phil to look to see what grants we could still apply for (deadline for most April which we have missed). Rachel looked at cheaper alternatives but they weren't viable.

Library – Mrs Jefford waiting to receive books from Scholastic. After that she can get the 'wish list' of books to us that we can circulate to the wider community for donations. Emma to email the local Usbourne rep who has been in touch to see what she can offer for Christmas gifts for the children.

Spaldington Wind Farm Grant – Money has come through. Planters may need to be moved, waiting to hear from teachers. Mini library, have 1 quote from the summer from Ryan Golden, Deonne Golden's husband so we need to be transparent about that. Quote was acquired before her role. Paula will instruct Ryan to build it and hopefully it can go on the village green in January.

3. Financial report – Income from events, bake sale, village disco & scavenger hunt. Spending printer, supplies & Grants Online membership.
