Financial update by Vicki

Current Bank Balance = £17,895

Profit to date is: £7,500.

- This includes expenses such as the storage boxes for the shed etc

- This does not include any profit to be made on the LEGOLAND tickets. What is the profit margin and when do we have to pay for the tickets?

Individual profits to date:

Amazon Smile: £264. Unfortunately, Amazon are now stopping their Smile donations.

School Lottery: £1050

Discos: £1637. This includes the toys sold as well as the tickets.

Cakes: £623.33

Uniform: £718

Easter Eggs £81 profit - good considering we don't really do it to make a profit.

Bunny Bounce - £45

Y6 Hoodies and Leavers books have so far made £335. Last year they cost £360 so that has nearly covered those costs.
