# REASONS TO JOIN US!

## For the children:

Become a role model and show your child you value their education.

## Stay connected:

There is no better way of knowing what is going on in school.

## It's fun:

We aim to enjoy ourselves in our roles and at all our events.

## For you:

Volunteering is a rewarding experience.

## For the school:

Help the school raise much needed funds.

## Keep FODS going:

As parents leave the school we need new people to keep the committee going.
