

Friends of St Gregory's (FOSGs) brings you a Covid safe replacement to traditional trick or treat. All proceeds go to FOSGs fundraising.

Find the pumpkins indicated on the map. You may start and finish the trail wherever you like on the trail loop. You may do this over the course of the week. Find the houses marked on the trail map and look for the letter to complete the Halloween themed words. Return completed entry via email by 4th November to fosg@st-gregorys-pri.lancs.sch.uk for free entry to a prize draw. Include all participants names (from one family only) and year group (siblings included too) and they will receive a small treat when they return to school.

Please adhere to the following important rules:

Only participate in your family group.

Supervise children at all times.

Observe social distancing between other groups.

Do not meet or gather in groups other than your own family group.

Do not go on to the properties marked on the map, just look from the pavement.

No trick or treating / knocking on doors please.

Observe caution crossing roads, especially at night.

24th Oct - 1st Nov

FOSGs
HALLOWEEN
TRAIL

£2 per map

Small treat for each participant
One Winner drawn at random from
completed and returned entries
