## EVENTS A GO-GO

We are kicking off the new academic year with not only your usual favourite events but we have added a few more to boot!

The PTFA are creating easier systems to manage, organise and recreate events meaning that the year should run smoother even when we pass it on to new members. This includes our communications with the new website, physical noticeboard and social media. By doing this it allows us to give more focus to areas in need of our attention, more time to staff and the children who benefit from the PTFA and allowing us more fundraising opportunities.

Check out our calendar for our events here:

The Bristol 10K is taking place on the 25th September. We are aiming to raise 5k with your help and support. , please donate and share:
