

Newsletter July 2021

Thank You!

A huge thank you to all of you who have helped our fundraising efforts this term. We are concentrating on raising funds for new outdoor play equipment that will be suitable for all classes within school. We are aiming for something similar to the images below.

The £21 for 2021 Challenge was a huge success. We saw children doing all sorts of different activities to raise as many pennies and pounds as possible. Your combined efforts raised a fantastic total of £1184.17.

The Summer Rainbow Raffle was very well supported with gifts for the hampers from parents and prizes from local businesses. We sold over 1000 tickets and raised a total of £1041.

We will continue our fundraising efforts next term. If you would like to help before then, have a look at our website for links to Easyfundraising and Your School Lottery.

If you are buying new labels for next term, please use the link and school code on our website for Stickins. We get a commission from every pack purchased.

We would also like to thank everyone who purchased items from the Amazon Wishlist. Every item bought has been delivered to school, and is being used in class.

Have a lovely summer!

GAP
