

THE BUSH TELEGRAPH

THE HOLLYBUSH PTA NEWSLETTER

JUNE 2023

HELLO!

Dear Hollybush families, It's been a busy half term for the PTA, so let's get you up-to-speed with what's been happening!

SCHOOL DISCOS

Let's start with the big announcement! Our end-of-year school discos will be held on Friday 7th July in the school hall. Tickets are just £2 per child with refreshments, glowsticks, and temporary tattoos included!

The 45-minute disco fun starts with our little stars from Nursery and Reception at 3:15pm. Then, at 4:15pm, it's time for Years 1-3 to show off their moves. Finally, at 5:15pm, our awesome Years 4-6 students get their chance to shine. Keep an eye out for the forms coming home after half term for full details and to book your child's place.

BIKE DRIVE UPDATE

Great news - Hertford Cycle Hub has kindly offered to donate some bikes for Reception and Nursery to enjoy during playtime, with FOHS providing some brand new helmets too! And here's where you can help: If you have any outgrown or unwanted bikes suitable for children up to 7 years old, please bring them to school whenever it suits you. We still need more bikes to make this initiative a success, so let's put those unused two-wheelers to good use!

CORONATION WATER BOTTLES

We're delighted that the Hollybush Coronation bottles were such a hit and appreciate all the wonderful feedback. If you'd like an extra one, don't worry - we've got a few spares available for a small donation to FOHS. Swing by the office and speak to Sarah if you're interested.

USBORNE READING CHALLENGE - A FAB £1600 RAISED!

We're thrilled to announce that the sponsored Ready Steady Read event raised an incredible £1600, with £1000 from our generous donors and an additional £600 worth of books donated by Usborne. Our very own Beth launched the fundraiser, inspiring our students to participate in the reading challenge. We want to thank all the family and friends who sponsored our students based on their reading (or listening) minutes. Your support has made a real difference! Our teachers compiled wish lists and the new books are already being enjoyed by our readers in school.
