

HILTINGBURY SCHOOLS PTA

December Newsletter

December was an incredible busy month for the PTA.

There was no Christmas Fair this year but instead we held a new event - Dine with Santa. Although the day was very busy it was so lovely to see the children light up when meeting Santa in his Grotto.

The Elfridge's shop returned to both schools this December. We love offering the children an opportunity to choose something special, for someone special. Although we try to guide the children in their choices there are always some choices that amuse us. My favourite this year is the trainset a child chose for their cat.

For the fourth year running, we offered great quality Christmas trees for sale. We had a record number of trees purchased this year (187) with many repeat customers from last year. It is great fun helping people choose their tree and it's lovely to receive pictures of your beautifully decorated trees. It even snowed on Saturday while we were outside to add to the Christmassy feel.

As usual we provided each class with £50 out of the funds we raised to purchase a class Christmas present. The Infant classes purchased outside play items, toy garages and magnetic building tiles. The Junior classes bought Mr Men books, dictionaries, thesauruses, scrabble tiles and other learning equipment to help in their classrooms.

Enjoy the Christmas break and we'll see you next year.

Dont forget, you can add gift aid to any donations made through our website
