

HILTINGBURY SCHOOLS PTA

March
Newsletter

Hi, I hope you are all enjoying the slightly warmer days with Spring on the way.

I'd like to start by saying thank you to every parent that took the time to complete our survey. The feedback is invaluable and helps us ensure we are doing the right things and making the best choices. If you haven't already seen the feedback from our survey, and are interested in the results, we have published them on our website.

It was highlighted that we perhaps don't communicate as well as we could do what the money raised is spent on. Going forward we will be making more of an effort to inform you where the money goes and as such, I'm delighted to confirm that in our last Committee meeting we approved the Infant schools request to purchase 16 new iPads, along with a charging trolley, and over £1,000 to spend on new banded and guided reading books.

We are still looking at ways to continue fundraising online whilst lockdown continues. We received such positive comments about the trails, craft packs and family quizzes, so are delighted to be repeating those again this term. We will also be running a silent auction, in the week before the Easter break via our website, consisting of gifts that have been kindly donated by local businesses. I have been blown away by their generosity and can't wait to bid on a couple of lots myself and I hope you'll join me!
