**5. Re-allocation of funds and fundraising target**

The money set aside for a new PA system for the school hall is no longer needed at present, due to a basic PA system being included in the building. Of the £5000 allocated for PA system, £3400 was left over, which was voted to be re-allocated towards new playground equipment.

The PTA has written a cheque for £15.000 which will be handed over to the school immediately. Mrs Philips confirmed that as the school now know how much they have to spend on new playground equipment they can start the process of researching and purchasing equipment for the playground. Mrs Philips hope to have enough money to cover all playground areas with new equipment although the main focus will be to purchase a giant pirate ship with the funds.
