

# LATCHMERE SCHOOL

## FUN RUN

**Saturday 8 June - Dinton Field**

### SPONSORSHIP FORM

Getting sponsored means asking people to give you money for doing something amazing! We're asking you to get people to sponsor you for running the fun run - the idea is that they give you a little bit of money for each lap that you run around Dinton Field, - so the more laps you complete, the more money you'll raise for school! This is how to do it:

#### 1. Before the Fun Run

##### Get sponsored

- Ask all your relatives - if they don't live nearby you could send them an email explaining what you're doing.
- Sponsor your best friend and they can sponsor you!
- Can you ask your nice neighbour next door?
- Tell your piano teacher or judo instructor what you're doing and ask them to sponsor you!
- Can you ask 10 people (and try not to include mum and dad!)

Sponsors might ask how far you think you can run in 20mins. One lap of Dinton Field is about 400m. Think about how many times you might be able to go round - walking, running, hopping, skipping or jumping - and in fancy dress if you can! Little runners might manage 2 or 3 laps with help. Long legged runners might do 4 laps - that's a Latchmere mile!

Keep your form safe - don't lose it. Keep asking people right up until the day of the fun run.

You can also set up a JustGiving webpage and send the link to friends and family – it's an easy way for them to sponsor you and the money will go directly to the LSPA. You can personalise your page with a picture and a story to explain what the fun run is. Follow the link under Further Information on the Fun Run page at [www.pta-events.co.uk/lspa](http://www.pta-events.co.uk/lspa).

#### 2. On the day

Come along and do your best – and mum or dad can help you round if you want! You'll get a certificate to prove how many laps you completed, a medal, a goodie bag and there will be prizes for the best fancy dress! You don't need to bring the sponsorship form with you.

#### 3. After the Fun Run

It's time to collect your sponsorship money! Pop round to the neighbours with your certificate, email your Grannie in Scotland to tell her how you did! Can you work out how much you have raised?

When you've collected all the money, put it in an envelope with your name and race number and take it to the school office. Pop it in the Fun Run Sponsorship Moneybox. Please collect all your money by Friday 28 June - there will be a prize for the person who can raise the most sponsorship money too!
