

New Scotland Hill PTA (“NSH PTA”) NSH PTA GLOW DISCO DISCLAIMER AND WAIVER

By booking through our pta-events page you are confirming you have authority to agree to this waiver on behalf of all participants you are booking tickets for. In order to participate in a NSH Glow Disco activity (‘Activity’), organised by New Scotland Hill PTA, you must agree to the following waiver and accept it when placing your order:

1. I confirm that all registered participants will attend at their allotted time and agree that any late participants (beyond their time slot) will not be allowed to take part.
2. Children must have permission to be painted by a responsible adult.
3. For the safety of our customers we regret we will not paint anyone who, in the opinion of the face painter working here, appears to be suffering from a cold sore, conjunctivitis, or any other infectious skin complaint, or who has eczema or an open cut on their face .
4. Please make sure children's faces are clean and noses have been wiped before being painted.
5. The face paints that we use have been designed for professional use and comply with all the EEC cosmetic regulations. As with any cosmetic products some people may develop a sensitivity to one of the ingredients. Some children are allergic to elements contained in the wide range of ingredients in common products. If you have any concerns about your child's reaction to face paints please do not consent to give this face paint to your child.
6. We will not paint signs or symbols or other designs that are in any way racially or religiously offensive.
7. Water-based make-up can be removed easily by washing with soap or baby shampoo and plenty of water
8. Take care around the eyes as soap can sting! Some colours may temporarily stain slightly if the skin is dry - your usual baby lotion after washing may help to remove this. It is not advisable to use baby wipes as they sometimes contain alcohol which can sting, or oils which seal the colour on to the skin.
9. Clothes that have been in contact with face paint should be soaked in cold water (ideally with a stain remover such as Bio-Tex or Vanish) before washing normally.
10. I hereby indemnify NSH PTA against all claims made by any other persons against NSH PTA in respect of any injury, loss or damage arising out of or in connection with my failure or any participants I am registering failure to comply with these terms and/or safety instructions and/or directions of NSH PTA its committee, volunteers and school staff.
11. I acknowledge that I have read and fully understand, on behalf of myself and all participants I am registering, the above prior to my acceptance of these terms and I confirm acceptance of these terms and I acknowledge that the below acceptance covers both the child/children, myself and any other participants I am registering.

CONTACT US For inquiries and comments for the above terms or other matters regarding the NSH PTA Colour Run, please contact us using the information below. Email: pta@nshprimary.co.uk
