

This year has been a really good one for the PSSA. Starting in September last year we had event after event; uniform sale, movie nights, whole school disco, and our Christmas Fair. These events enabled us to pay for the travelling panto to come to school for a great treat for the kids.

Then from January we had another uniform sale, a Valentine whole school disco, PJ day to raise awareness for mental health week, and to put towards something for the sensory room.

We then had our Easter event where the kids got to do different activities, and gifted easter eggs. We then had the Coronation picnic day which we were able to source the tree on behalf of the school (which they paid us back for but it was lovely to be a part of this).

Then we come to our summer fair, which everyone who came said was a great day with lots selling out. After this was the end of year picnic, which we provided a bouncy castle for and the kids loved it – it was a great afternoon.

So after all these events we had enough money to buy the new bits for Yr1/2 playground, including tuff tables, sand pit and new reading shed.

Natalie Ralph, PSSA Chair
