This is an increase of £1,337.79 on last year!!

My Art Project at Christmas

2020 was the first time this was trialled in the school thanks to the hard work of Mo, the children loved designing their own Christmas cards and feedback from parents was very positive.

We raised a whopping **£598.35!!**

Christmas 2020 meant there was no Christmas fair – this would not stop us though!!

We held an online raffle with a star prize of an Xbox which pulled in the sales!!

We raised a grand total of **£2,580**

Theatre Club

The very successful theatre club is run by the wonderful Sacha, Alicia and friends. We provide discounted tickets for West End shows

In the year 2020 – 2021 a profit of **£399** was made!!

This is a decrease of £480 – we blame Covid!!

Visit the events page on our website for more details;

Disco

Due to Covid – 19 this event had to be cancelled.

Parents were given the opportunity of a refund but the majority chose to donate the money to the PTFA meaning we raised **£1,211**
What generous parents we have!!

Mothers Day

Not all we do is about making profits. It's also about building a lovely community. In 2021 Sacha sourced some beautiful candles from a local seller.

Although we didn't make a profit (Loss of £63), the gesture was appreciated by mums and carers
