Location Fireworks to be on the field. Initial thoughts – Primary School is smaller, with easier access to facilities. Therefore, we should have the entry point, stalls, food and drink stalls, access to toilets etc from here. 	Mo - set up sub committee Helen, Becks, Lisa - message the committee to see if anyone else would like to help.

		I
	 Companies 7 companies contacted- recommendations from other schools, PTA FB page and those based in the local area. All recommend 10-15 mins display. Prices from around £2k upwards. Public liability insurance of £10m (1x £5m) covering everything firework related. All will do a site visit to assess where the firing site should be and where spectators should stand. They will write up a specific risk assessment for us following the site visit. 	
	Payment schedules - vary - some want a deposit and the balance before or after the display, some are paid on the day and others paid after the event.	
	 Availability Many are booked over the main 3rd-6th Nov weekend although some do still have the odd day. All other dates around these are available. 	
	Questions Need to consider the local residents especially in regards to parking. Would the High School playground be an option?	
Movie Night (Jo S)	Skylight Cinema £1908 (incl £100 discount for schools) Plus Tens license £21 Plus Film license £50 = £1979 Total to pay	<u>Jo S</u> – run the idea past Claire B
	Example charges - £7 per head x 500 = £3500 - £5 per head x 500 = £2500	
	Joint event with Woodcote High? - Decided against - difficult to get the right choice of film for the wide age range of children.	
	 Would it be too late in the day if in the summer? 9PM sunset in June would be too late A September showing might work - after 15th September 7pm sunset. 	
2022 Fundraising event ideas (Helen)	 Krispy Kreme – limited to 600. Would be good to see if we can get more (PTA FB comments seem to say that many people have managed to get more) Combine with Yes Day – maybe 18th March? Ask Sean Coughlan re vegan doughnuts Sell Tote bags. 	Kinza - Speak to Claire re when we can do a KK sale. Try to get more doughnuts.
	- Queen's Jubilee 3 rd June half term. An idea could be an activity in school - competition. Eg decorate a crown.	<u>Helen</u> – contact Kidspace

	 Summer Fair – Saturday 18th or 25th June? Theme could be Queen's Jubilee! (UPDATE following the meeting, the date of the Summer Fair will be 18th June – the date had already been set by Claire B) Disco – leave for now and may revisit in the Autumn term. Chocolate bingo- Autumn event. Kidspace/Oxygen – May – Kidspace was cheaper than Oxygen in the past. 	Helen – contact Kidspace to see if they still take school bookings and confirm pricing

updates?	eBay – no interest. Seems to be the posting out of items being the main issue. Kinza is keen to sell through	next uniform sale
(Sacha)	Facebook though so, sadly, eBay sales will stop but will be replaced by FB selling instead - well done Kinza!	Mo – ask Kinza to send out a Whatsapp

	Designer (Yr 6 Leavers' book)— no applicants so far.	
Christmas Cards update (Mo)	£266.55 fund raised this year! Last year £598.35	
	Funds raised comparison	
	- Jane from My Art Project said there is a similar pattern across all schools ie dramatic drop in sales.	
	- Previous year's lockdown saw shops closed, people	
	wanted personalised gifts to send to family or as keepsakes, other events were cancelled so the	
	distribution of spending was a lot different, plus it was something new that the school was doing.	
	Do we continue this year? - Jane mentioned that some schools do Christmas cards	
	every other year. - Feedback from the Committee means that we will	
	continue- the children enjoy it, it is an 'easy' fundraiser and doesn't take much work, plus parents like them.	
Clothes Recycling bin update (Nic)	Nic is waiting for the Scouts to get back to her.	Nic - chase the Scouts
